

GRIST

DEDICATION...

University life has set forth for us certain patterns of living. Through these patterns we have striven to achieve that spiritual and intellectual growth set forth by our mentors as goals which will raise us above material conflicts. We dedicate ourselves, therefore, to the earnest pursuit of these objectives, for we are measured by our goals as well as by our achievements.

President's Message

To Members of the Class of 1956:

Those of you who heard Robert Frost when he visited us last December will recall that he referred to "the sacred right to know" as reflecting the philosophy of higher education, particularly of a land-grant university such as ours. "The sacred right to know," as he put it, "what you are smart enough to find out — and what you are deep enough to understand!"

Your four years in college have given you the opportunity to exercise this right — to find out and to understand the things which make life meaningful, which prepare for useful, successful careers, and which contribute to personal happiness and satisfaction. You have learned these things not only from your teachers, but also from your fellow students; not only in classroom and laboratory, but even more, perhaps, in campus activity — in dormitory and fraternity

house "bull sessions," in the relaxed atmosphere of the Union snack bar, in the harmony of music, in team play on the athletic field, in dramatic production, in campus walks and talks, and in dozens of other ways. Here you have found a valuable educational experience.

These enriching adventures are mirrored in the pages of *The Grist*. Here, permanently recorded, are the varied incidents of college life, which, pieced together, form the background scene before which you have played your role in the campus drama of the passing year. For years to come your copy will serve as a reminder of the people and the events which have contributed to your personal development and helped to prepare you "to be of service to the world." You could not take away with you a more appropriate memento of your college days.

CARL R. WOODWARD

Advisors' Message

To The Class of 1956

During the past four years you have been a student at the University of Rhode Island. You began your work at the University in September 1952 with enthusiasm and high hopes for the future. We hope that you have enjoyed the four years of your life here on the campus, that they have been profitable and that your dreams of college life have been realized. A milestone has now been reached in your career.

As you leave the University of Rhode Island we hope you will take with you not only the memories of four years of gracious living but also the substance acquired by association with your fellow students and faculty which will enable you to live effectively throughout your entire life.

The faculty has passed on to you their personal experiences and interpreted the recorded history built up through the ages in whatever your selected course of study. We hope you will reflect on the fortunate experience that has been your privilege. Wisdom comes with age and experience based on a firm foundation which you have now received. Happiness and

a useful life are the results of wisdom.

You will remember many times in the future the pleasant experiences you have enjoyed at the University of Rhode Island. Do not close this chapter in your life as completed. Remember and maintain throughout life the friendships you have established here. Use continuously the information and knowledge you have received here. As the years accumulate you will more and more realize the unique experience that has been yours. Our hope is that you have some appreciation of the value of a successful college career in order to immediately begin your future.

You now disperse in many directions following your chosen path in life. Our sincere wishes for success and happiness go with you. Return to your University whenever you have an opportunity in order that we may share your success and shine by reflected glory. We are proud of you.

Ave atque vale.

THE PAN-HELLENIC ASSOCIATION

Two members from each sorority, a Junior and a Senior, form the Pan Hellenic Organization on our campus. Also included in the membership of the group is an advisor from each house, along with the Dean of Women. All laws regarding sororities, especially rushing regulations, are formulated by Pan Hellenic.

Consisting of all the sorority women of America, Pan Hellenic stands for "high scholarship, guarding of good health, wholehearted cooperation with college ideals and serving to the best of their ability, in the college community."

CHI OMEGA

We'll miss our Seniors when they leave . . . they'll take with them such pleasant memories of their stay here at Chi Omega. How could we ever forget those parties, dances, and socials . . . homecoming . . . their last one as students, with Chi Omega winning the display cup. And the sing, the Rhody Revue, the kids . . .

Yes, we'll miss our Seniors, knowing they'll miss Chi Omega . . . and that they'll carry her spirit and inspiration into everything they do.

DELTA ZETA

The Seniors are graduating . . . leaving U.R.I. and Delta Zeta. But, we know they'll be back . . . Homecoming, open houses, Alumnae functions.

The past years have been happy and creative. We've maintained our high social, extra-curricular, and scholastic standards . . . we've done well in many things.

Our Argyle Orgy, our formals, the fraternity dances, the Union activities . . . all these are among our fondest memories.

SIGMA DELTA TAU

Seven seniors graduate . . . wonderful memories of their four years at S.D.T. . . . Times have sure changed since they moved into the house. Redecoration . . . and landscaping added.

Pleasant thoughts of Rhody Revues, Homecomings, and sings will remain uppermost in their minds.

Graduation is at hand and a new and bright future lies ahead. The best of luck to our graduating Sisters.

EAST HALL

East Hall, the "Little dorm" we'll always remember. The ivy, the geologists, the TV set, our "roomies"

Our Seniors are leaving . . . they've been happy here, remembering their own Freak Day "way back when . . .", the Rhody Revue . . . the confusion of rehearsals, the weekends . . . Homecoming, UConn, and Brown. Remember all those things? Remember the studying, though . . . the long hours, slaving over a hot desk? Remember the congregations on the front steps? . . . Gee, they were happy days . . . may the future be happy and bright too.

ELEANOR ROOSEVELT

Eleanor Roosevelt Hall is not only a huge brick encasement in which Freshmen and independent non-sorority girls live, but is an actual home. Here the girls first encounter college life: new faces, new adjustments, new friends and many new set-backs. It is within this red brick building that many girls mature into womanhood, it is here that they lapse into memories — those Freshman days "how young we were" is the common sentiment of all, especially those who compare it with their newly acquired status of Senior-Graduate.

Polygon, the governing body of fraternities, founded in 1911, formulated a new type of government on campus as for the first time the body elected its own officers. With this type of democracy more free thought was expressed by its members.

The addition of Polygon members to the judiciary board has added greater strength and unity to the body.

With the successful conclusion of the fraternity sing, rushing season and the addition of a Polygon Formal, the Interfraternity Council once more closes its doors on a successful and happy school year.

BETA PSI ALPHA

It has been another great year for Beta Psi. The intramural football trophy is ours once again along with the bronco-busting trophy awarded by the Aggie Club on Open House Day.

The House was well represented on the first undefeated football team in U.R.I. history.

Our Basin Street Bounce was a huge success as usual. Some of our weekend parties have proven to be miniature Basin Streets.

The House has continually progressed since 1932, the year of our founding, and the future looks even more promising.

LAMBDA CHI

— Another successful year at the Pier has gone down the drain — Now and then that famous Cattle Call is heard echoing through the house, "Ain't you got no suaverity" — "Hey Ma, There's plaster in my soup" — "Do your house duty!" — "Sandwiches, grinders, pie and milk" —

"Aw c'mon Harry, anything but string beans" — Sack rats and suave ones; the Lambda Chi contingent —

All this combined with Eta chapters' new look and a fine crop of new farmers has led all loyal Lambda Chi's to believe that life at U.R.I. is not bad at all.

PHI GAMMA DELTA

Another year is over and Fijiland looks back to the months filled with laughs, parties, gripes, bull sessions, war stories, social hours, pinnings (and attempts to sing), lover escapades and intramurals plus time jam-

med in for the more serious business of worrying and studying. All in all it's been a great year all around, one that will be remembered by every Fiji and friend in all the years to come.

PHI KAPPA THETA

A memory for 1956 — Good luck, Seniors! Welcome, Pledges! A huge display — a *long* Pledge Walk — The ruling Frenchman — Horizontal "H" — The stomach that never wore off — The two front teeth in a coat pocket for ball games — A pinning here and there — The gung-ho-indian — Du-du — our Scottish lassie —

Blue Nose — Pledge Formal — Q.P. Kids — Scholastic Cup — Big man on campus — Piles?

Along with our, Peggys, Carols, Barbaras, Joans, Alices and Tudi too!

We leave with this memory of our Senior year.

PHI MU DELTA

Take multi hours of rehearsal — strain out one Interfraternity Sing Cup.

Add a dash of study, a dab of activities, plus a good helping of Intra-sports . . . Result . . . one IAC cup.

Next, stir well with the Intramural Sports Trophy, season liberally with Jam sessions, bull sessions, the

Fiesta, and dinner dances. Dab lightly with beach days, union time, and the Pledge dance. Now chill slightly in those strife ridden decks. Throw in a few musty memories of down the line and even a pinning or two. Then you have it . . . the greatest memory brew ever savored by any Phi Mu.

PHI SIGMA KAPPA

To the departing brothers: You will remember —

The bumper crop of pledges who kept you walking and vice versa.

The coffee hours and the Moonlight Girl.

The Pledge Formal, Dinner Dance, and the Hobo Hop.

The vic dances and the beach party.

The leaky roof and the cold deck.

And, of course, the line.

When you visit us again you will see — The new addition.

Some old faces and many new ones.

And, though the house may look different, the same spirit of brotherhood inside.

RHO IOTA KAPPA

Rhode Island's first fraternity, Rho Iota Kappa, will, next year, celebrate its 50th anniversary. Plans are already under way for a Founder's Banquet at which the surviving members of the thirteen original founders will be introduced to both the active and alumni members of the fraternity.

The growth of this fraternity can be likened to the growth of the University. From humble beginnings in

the old Wells house, to the occupancy of the present chapter house in 1926, P.I.K. has shown the individualism of spirit and nonconformity of action that typifies our New England background.

When finally we, as seniors, leave this institution, the traditions fostered by our association with P.I.K. will travel with us throughout all our endeavors.

SIGMA ALPHA EPSILON

No longer can we part saying, "See you in the fall!" Our fall reunions as undergraduates are over, but we have much to take with us. Homecomings both here and at UConn — the Metacomet — the "Shuffle" — and those enumerable good times which have no formal titles, but

would in themselves fill this year-book.

We must now leave a part of our lives behind, but never, no matter where our fortunes take us, can we journey outside the bonds of Sigma Alpha Epsilon.

SIGMA CHI

The year is over almost before it has started. For some, it's the last before the letter which starts, "Greetings". For others, it's been only a glorious beginning. Ah, what memories — the largest and best pledge class ever — what was once a failure becomes a success, but there are new fiascos — the pride of finally capturing a first place — the basketball cheering section — the trite ex-

pressions go and the new ones become shopworn — the windy dissertations in the kitchen — the nightly excursions of the AA members — the cries of revolt from the suffering artists — the snowy Centennial, the BIG Sweetheart Weekend, the B C Ball — and through it all, the spirit of friendship and brotherhood. It would be understatement to say it's been quite a year.

SIGMA NU

Sigma Nu had a new face-lifting this year. The pledges and brothers joined the ranks of labor for the first few weeks and painted the "castle". What a madhouse . . . "Where's the paint, Yogi!" "You'll burn the joint with that blow-torch!" "Hey Newlander, ain't you gonna finish that pin!" Oh well, we still received much self satisfaction.

Besides doing plenty of work, we also had more than our share of good times. Ah Yes! The Pledge Formal,

dinner dances, Christmas party, and our feature attraction the "White Rose" formal. (Not to mention pledge walks, paddle sessions, second degree and various excursions.) We also had plenty of laughs on the athletic field as well as many sighs. As Coach Palmer says "Wait 'til next year."

As we reminisce we remember the life which made our house a fraternity.

SIGMA PI

It is only fitting that Sigma Pi Fraternity, founded as it is on the rights and personal integrity of each of her individual members, be they brother or pledge, had its beginning in an independent gathering of men, called the Tau Sigma Association. The Association came into existence in June of 1944, in what could be termed a "filler" capacity, to replace other fraternities disbanded because of the War. This Association continued as such until December of 1947, when it was recognized as a

local fraternity on campus. Recognizing the advantages of affiliating with a national organization, Tau Sigma Fraternity applied for, and received, its charter as Alpha Upsilon Chapter of Sigma Pi Fraternity, in September of 1948. A glance at the records indicates quite a bit of living and progress for our fraternity. Our members have evolved from the old "tin huts", through to the dorms and finally to "Doc Pease's house", affectionately known as the "Little Rest Chicken Farm."

THETA CHI

Over all, the school year at 14 Upper College Rd. was a highly successful one. The Theta Chis' brought home two trophies on Homecoming weekend for our float and display. The year was also highlighted by our outstanding intramural teams and many social activities which will remain in our memories for years to come.

So many things go into making up a school year that it is hard to recollect them all. Among those which will be remembered most are: watching Magoo grow up, Mom's reprimands, the cold nights on deck, "scholarships," pledge training, continual hazing, and last but not least many hours on the books.

TAU KAPPA EPSILON

"From what was once a fraternity composed of five men has evolved into a national organization comprising more than 119 chapters and over 55,000 tekes".

1955-56 will leave many memories for us at T.K.E. — Donnelly's — Police Stations — Blood Drives — U.Conn. Game — Beach Parties — Lively Pledge Class — mere incidents in three years crowded with wonderful adventures and experiences.

Then, too, the bigger things . . . Harvest Dance, Pledge

Formal, Roman Holiday, French Underground . . . each holds a cherished memory for every senior.

Ed's missing tooth paste, Capoldi's last stand, Sound-barrier Saglio, Aunt Lydi's coffee hours, and the return of the Greek Dynasty were added to Teke history.

Yes, these years won't be forgotten, the big white house with the green shutters holds many fond memories . . . we'll miss it so . . .

BRESSLER HALL

The purpose of the Bressler Hall Dormitory Association is to promote a fraternal atmosphere within the Dormitory.

During the year, we have been very active in organiz-

ing athletic teams and social events.

It is hoped that this Association will be able to perpetuate itself for the benefit of the students through the following years.

BUTTERFIELD HALL

The Butterfield Dormitory Association, keeping its main objectives in view, has not only been able to gain a warranted position in the social activities on campus but is recognized as a vigorous contender in intramural sports. Having realized its social and athletic objectives, the association is now in the process of forming a self governing body for the dormitory.

Among our successful activities of the past year were the Christmas party, the Rhody Review and the Mayorality Campaign . . . with mops, drum beating, and torch carrying, the "Double Cross Party" succeeded in having their candidate elected as Mayor of Kingston.

And now for the future . . . with beach parties, bull sessions, bombs, water fights, and salt in the sugar shaker as memories . . . we look forward to new goals.

AGGIE CLUB

Started years ago, the Aggie Club is comprised of agricultural students. Possibly the biggest annual dance held on campus, the Aggie Bawl, is sponsored by the Club. Each year the Aggie Club awards keys to outstanding Senior agricultural students and a plaque to the outstanding Junior Aggie. Once during the year, the Club publishes the *Gleaner*. An annual picnic and a field day round out each year's activities.

The Showmanship Club is one of the more recently organized clubs on campus. Within a period of three years its popularity has been rapidly increasing. This organization is made up of students who are interested in preparing, showing, and judging plants and animals. The club sponsors a dairy judging team and a poultry judging team. It is noteworthy to mention that both teams have done exceptionally well in New England competition.

From far distant places the foreign students at the University of Rhode Island are practicing the methods of democratic government in their club.

The members of the club hear discussions and talks on various countries and see pictures of them; they hear of strange customs and listen to unfamiliar music. It is as interesting to Americans as to Foreigners. A picnic culminates each year's activities.

The result is more friendship and less misunderstanding in the world. This club is the place where East meets West and North meets South in a friendly handshake.

ALL NATIONS CLUB

CHESS CLUB

The Chess Club was organized last year, one of the youngest clubs on the campus. Its activities include a tournament for the campus championship and intercollegiate team games which will be the main event in the future.

Every U. R. I. student interested in chess may join the club; lessons are offered each semester by the Chess Club members to all those interested.

ARMENIAN CLUB

The Armenian Club of the University of Rhode Island, known as "ACURI", is one of many Armenian Clubs on the campuses of American universities and colleges. Armenian Clubs exist, for instance, at Harvard, B. U., M. I. T., Wayne, Clark, U. C. L. A., and a number of other schools. The U. R. I. group was the first, probably, to be established at a state land-grant college. Its example is being followed at U-Mass where a club has been organized.

The Armenian Club is open to all students, staff members, and faculty members, and Alumni interested in the understanding of Armenian culture. Its object is to acquaint its members and the campus community with Armenia's contribution to world history, culture, art, linguistics, etc. That this is a worthwhile purpose is demonstrated by the movement to establish a Chair of Armenian Studies and Research at Harvard.

The Socius Club is an organization of students interested in Sociology and the professional and occupational aspects of this subject. Study trips are made to institutions and places of interest and its meetings, held on the second and fourth Tuesday of each month, are addressed by a selected group of speakers.

RADIO CLUB

The primary purpose of the Radio Club on the University of Rhode Island campus is to promote and disseminate information relative to amateur radio. In 1948, equipment for a 400 watt station, KIKMV, was constructed, making it possible to contact other amateurs throughout the United States and Canada. Membership in the Radio Club is open to anyone interested in amateur radio communication..

The society was founded in the Spring of 1938. Miss Nancy Potter is the present faculty advisor.

PURITAN

THE PURITAN is the annual organ of campus opinion and literary and artistic effort, both humorous and serious. Staff membership is open to anyone interested and willing to work, and contributions of sufficiently high caliber are accepted from both on-campus and extension students. Last year for the first time, THE PURITAN gave up its intimate pocket-size format in favor of the larger 9" x 12" size preferred by "big-college" magazines, and also offered a twenty-five dollar prize for the best short story submitted to them.

"Remember the issues" is a phrase the Rhode Island debaters will long remember after they stop packing their bags to go to tournaments. Spending long hours in the library, analyzing evidence, learning to think logically — these are things the debaters will never forget.

Tau Kappa Alpha is a national honorary society which invites to membership those who have been outstanding in speech activities for at least two years at the University of Rhode Island. The key with the scroll and wreath is worn by those who have achieved recognition in debate, discussion, or extemporaneous speaking not only on our campus, but in competition with college students from all over the East Coast.

International Relations Club

The International Relations Club holds informal discussion meetings throughout the year. Also, about once every month a guest speaker addresses the Club on some aspect of world affairs. The IRC makes available several magazines at the Student Union to interested students. It sends delegates to intercollegiate conferences on global problems. Its chief aim is to bring the importance of world events to the attention of the University community.

YACHT CLUB

The University of Rhode Island Yacht Club was established in 1935 for the purpose of gathering together all students interested in sailing, to improve their skill by instruction and experience, and to encourage and promote good sportsmanship in racing competition. The club maintains a club house and boats on Salt Pond in Wakefield for the use of its members.

The club is an active member of the New England Intercollegiate Sailing Association and is responsible for the Intercollegiate Dinghy Team.

MEN'S GLEE CLUB

The newest musical organization on the campus is the University Men's Glee Club. This group of fellows meet Tuesday evenings at 10:00 p.m. in the Choral Room for an hour or two of relaxation through singing. The reason for the late rehearsal hour is that it is expected and desired that the fellows will study for the greater part of the evening and then come together for a song session. Their first guest appearance was for the Christmas Convocation when they sang on the program featuring the University Band. It is the wish of the conductor, Mr. Ward Abusamra, that the men will avail themselves to participate in this worth-while activity. A spring program was also in the offering.

BAND

- • • • • This year's University Band gave a fine year-long performance of enthusiasm and sincerity. Strengthened by the ever-increasing enrollment of Music Majors and by the addition of majorettes, the marching "blue and white" assumed a greater role in campus activities. Under the leadership of Professor Frank Van Buren, the band performed at all home football games and added needed color to our rallies. The annual Christmas and Spring concerts cannot be forgotten, and each member of the band can be justly proud of his organization.

The University Orchestra, made up of students and augmented by faculty members and a few faculty members, has a membership of about thirty members. Instrumentation was improved last year to the point where standard symphonic literature is included in the orchestra's repertoire. The orchestra rehearses once each week and presents a major program each semester.

ORCHESTRA

The University Chorus, with a surprising number of male voices, practiced each Tuesday during the year. The Chorus is directed by Mr. Ward Abusamra and includes in its repertoire the works of such composers as Bach, Beethoven, Mozart, and Wagner, along with more modern and contemporary composers. The Christmas Concert, in conjunction with the other music organizations, was extremely successful, and Mr. Abusamra has seen fit to organize a Male Glee Club as well.

CHORUS

In its first full year of operation it would appear that the union is on its way to fulfilling its purposes. Undergraduates flock to the building at the conclusion of every class as well as during the evening. It has become the headquarters of a large segment of the commuting students and appears to be the base of operations for those who remain on campus over the week-ends.

The Games Committee has run individual tournaments in chess, pocket billiards and table tennis for men and women. The Music and Arts Committee has arranged the year's exhibits in the corridor display cases and a number of jam sessions. The record collection and the more than 300 art prints available for rent are also under its jurisdiction. The movie program in CinemaScope and special matinees are planned by yet another committee and the dance committee has conducted a series of Candlelight Cafe and other dances. Another committee has been responsible for weekly coffee hours in the lounge with programs ranging from recorded jazz to an interview with Robert Frost. Birthday and Christmas parties, bingos, committee luncheons and the annual Nite to Forget are the responsibility of the Program Committee. All these events, plus the many services, by now already taken for granted, such as the food operation and meeting rooms, have been just a part of this year's well-rounded program.

STUDENT SENATE

The Student Senate is the only organization on campus that is truly representative of the student body — one student and one alternate are elected for every forty students. Its powers permit regulation of all student activities not covered by the charter, by-laws, and regulations of the university.

Women's Student Government Association

Each year the W. S. G. A. instills a spirit of co-operation and friendship among the women students here at the University. Being composed of several elected officers and highest women officers of the various organizations on campus, the W. S. G. A. has contact with nearly every organization.

Annually the W. S. G. A. has a Philanthropic Project which this year was a donation to the World University for the purpose of buying books. Merc week, a week in the spring when the women students take the men out, has become a favorite activity sponsored by the W. S. G. A. For the first time W. S. G. A. sponsored a Social Hour with a guest speaker whose topic of discussion concerned serious courtship.

Judicial Board

The Judicial Board, with the President of W. S. G. A. acting as the presiding officer, is composed of the Dean of Women, six members elected by W. S. G. A., and six members appointed by W. S. G. C.

This group of students, with the sincere guidance and advice of Dean Morris, acts not as a jury, as might be suspected, but as an advisory council whose primary interest is that of helping the women students adjust to college life and to its necessary regulations.

The college weekly paper, the BEACON, was first printed in 1908, and was a small ten page booklet printed once a month. At present, the BEACON, which has grown by leaps and bounds, operates in a professional manner, published each Wednesday, with a twelve to sixteen page issue and a circulation of over 2,400, including students, faculty, alumni and advertisers.

"The Gang"

The election of officers and staff is held in the early part of the second semester to afford the incoming officers the benefits of graduating seniors' experience.

The BEACON is representative of student efforts, publishing editorials, information, articles, faculty notices and news stories and ideas of student or college problems.

Experience in all fields of writing: news, sports and features, are open to any interested student at the university, as well as opportunities in makeup work and in the commercial aspects of journalism such as advertising, circulation and photography.

This year's GRIST staff has tried to do its best to bring you a yearbook you can be proud of. We have made full use of color potentialities, modern and neat lay-outs, and appropriate photography.

Our cover is padded, a reflection, we believe, of student opinion. Also, the Student Directory which we have included will, we hope, be appreciated by the student body. In everything, then, we have done our best on behalf of the University's students, whom we represent.

I would like to congratulate the various editors and their staffs for their earnest efforts during the year and for their cooperation. Also, special recogni-

The University Theatre has had an extremely successful and active year. The season opened with G. B. Shaw's, "Devil's Disciple." From there, we set to work on the second annual High School Workshop. The first semester ended with "All My Sons," by Arthur Miller. This show deserves an added comment, as it was hailed by many as the best show ever presented on the Rhode Island campus.

The Theatre lost Mr. Will at the beginning of the second semester, but he shall return from sabbatical leave in the fall. We missed his wonderful guidance and friendship, but we soon lost our regrets as we began working with our new director, Miss Kidd, who did our final show with us, "Bird In Hand," by John Drinkwater.

Along with an increasing membership, we have also experienced a firmer financial year. So, as we end the 55-56 season, all of us are anticipating the fall when once again we will start learning lines, grind through rehearsals, smell the grease paint, and finally, when no one thought we would ever make it, opening night — a show!

Jim Norman

The campus Radio Station, WRIU, which was formed in 1939, adds to the University community the service of radio broadcasting from a student's viewpoint. This organization, open to any interested regularly enrolled student of the University of Rhode Island, has grown in size and popularity into one of the largest student organizations on campus numbering 125 active participants. Music, news, sports, and special programs constitute WRIU airtime. WRIU has grown from a small group of radio enthusiasts, in South Hall, to a member in the Intercollegiate Broadcasting System and are now housed in the Rhode Island Memorial Union. During the past year, WRIU has been installing new technical and programming equipment, and is now known as the "Voice of U. R. I."

The University of Rhode Island Christian Association is a fellowship of the Protestant students on campus which sponsors many activities for those interested. The "9:30 Class" on Sunday morning and the Sunday evening group which meets at the Protestant Chaplain's house for supper and informal discussions are two of the activities.

Study groups on the Bible, Tuesday evening Chapel, and Thursday evening forum and discussions are also part of the campus program. Deputations and social action have become increasingly more active and important.

To complete the list, there are summer service projects, program planning retreats and intercollegiate conferences.

NEWMAN CLUB

The Newman Club, named for the great John Cardinal Newman, was formed at Pennsylvania University in 1893. There are now over five hundred clubs in American universities and colleges.

It is the official Catholic organization on campus, holding meetings twice a month. Its aim is the religious, intellectual, and social welfare of the Catholic students, who are given the opportunity of the daily privileges of their faith at the Chapel of Christ the King.

HILLEL

Hillel is an organization established for the purpose of providing students of the Jewish faith with religious, cultural, and social activities.

On our campus, Hillel's activities are numerous and varied. The best known of Hillel's affairs are its Sunday "Brunches" and the annual "Model Seder" commemorating the Jewish Holiday of Passover.

Through its many activities, which are open to all, Hillel hopes to better acquaint the members of the campus with the Jewish faith, in an effort to strengthen better understanding among religious faiths.

CANTERBURY ASSOCIATION

The University of Rhode Island Canterbury Club, is affiliated with the National Canterbury Association and sponsored by the Episcopal Church. The Association's motto, "*Pro Christo Per Ecclesiam Ad Collegium*" — "*For Christ Through Church and College*," serves to guide the Club's spiritual and social activities throughout the college year. Spiritual activities head the weekly calendar with the Club-sponsored Sunday Morning Prayer and the Friday morning Holy Communion. Social functions include, besides the bi-weekly meetings, Sunday evening suppers and Tuesday coffee hours.

Membership and participation are open to all interested students and is not limited to members of the Episcopal Church.

ALPHA ZETA

Alpha Zeta, the national honorary agriculture fraternity, maintains its purpose by fostering and developing high standards of scholarship, character and leadership and a spirit of fellowship in the agriculture profession.

Each year the Rhode Island Chapter of Alpha Zeta awards a loving cup to the freshman in agriculture with the highest scholarship honors.

In addition to the customary activities, an annual steak roast staged in the Fall for member-alumni, and an initiation ceremony and banquet in the Spring constitute this Chapter's objective — dedication of agriculture through achievement.

Pi Sigma Alpha is a national honorary political science society. The University of Rhode Island chapter was initiated last Spring at a banquet held for the occasion. An initiating representative from the national group and other guest speakers were present.

The names of eighteen student and faculty charter members are inscribed on a scroll in the History and Political Science office in Quinn Hall. Included among the charter members are Professor Itter, Dr. Metz, Professor Stitely, Dr. Thomas, Dr. Tilton, and Mr. Warren, as well as twelve students, mostly Political Science majors. The student president of the group is Donald D'Amato, a graduate student in Political Science.

PHI SIGMA

The Phi Sigma Biological Society has the Alpha Xi Chapter on this campus. It was chartered on May 17, 1935. The society consists of active, alumni, faculty, and honorary members. Juniors with an average of B, or better, in Biological subjects are elected on the basis of their interest in the field of biology.

Tau Beta Pi is a national honor fraternity of engineers. This fraternity is, in engineering, equivalent to what Phi Beta Kappa is in the Humanities.

The purpose is to recognize in a fitting manner those who have conferred honor upon their alma mater by distinguished scholarship and exemplary character as undergraduates in Engineering, and to foster a spirit of liberal culture in the engineering colleges of America.

An engineering faculty rating system is one of many projects of Tau Beta Pi.

OMICRON NU

Alpha Mu Chapter of Omicron Nu was founded on this campus in October, 1951. This organization is a national honor society established for the purpose of promoting scholarship, leadership, and research in the field of Home Economics. Outstanding juniors and seniors are admitted each year on an election basis. The activities of this chapter are set up in accordance with the general purposes of Omicron Nu.

The National Society of Scabbard and Blade was founded at the University of Wisconsin in 1904. H Company, 6th Regiment was established at the University of Rhode Island in 1927.

The purpose of this society is to raise the standard of military education in American colleges and universities, and to encourage the essential qualities of good and efficient leaders.

Prominent functions of H Company through the years are the annual Military Ball and Blood Drive.

H Company, 6th Regiment of Scabbard and Blade extends its heartiest congratulations to the graduating class, and best wishes for the future years.

SACHEMS

Sachems is an honorary service organization composed of Seniors who are "tapped" in the spring of their Junior year. Membership is based upon active participation in campus activities and creditable scholarship. By fostering cooperation among the administration, the faculty and the student body, the organization attempts to find solutions for campus problems. Among the responsibilities are: the care of "Rameses", the University mascot, the supervision of freshman traditions and sophomore vigilantes, planning and execution of the football rallies, the mayoralty campaign, and the Rhody Review. Since their formation the Sachems have contributed to a more active school spirit.

BLUE KEY

The Blue Key Society, an organization of eighteen students from all classes, has for its objective, the furthering of friendly relations between the University of Rhode Island and visitors to our campus. Included is acting as host to visiting athletic teams, touring groups, and dignitaries, as well as at conferences and alumni functions.

During 1955, the Blue Key has, in addition to its usual host functions, assisted the Alumni in the initiation of a Homecoming Hop and participated in the Freshman Week and Open House programs. The activities of Blue Key have continued to grow in scope and importance, so that, now, in 1956, Blue Key is taking its place among our campus groups as an honorary organization of student leaders and coordinators, second only to Sachems and cooperating more and more with that group.

ECONOMICS CLUB

The main purpose of the Economics Club is to enlighten students on domestic and international affairs in the economic sphere and is composed of any member of the student body who wishes to join. However, it is also open to any member of the community who wishes to attend its meetings. It was organized in February of 1954. In conjunction with the main purpose of this club is the purpose of hearing as many speakers on as many subjects in the economic world as possible, e.g. international trade and business cycles.

Alpha Delta Sigma

Alpha Delta Sigma is a national professional advertising fraternity with more than fifty chapters in colleges and universities throughout the United States. Membership is for life and includes an affiliation with the Advertising Federation of America. Its many activities include: printing your school blotter, promoting better advertising on campus, attending conventions and going on field trips. The fraternity also presents two \$25 awards for excellence in advertising.

Accounting Association

The Accounting Association was formed in March, 1949, to supplement the study of accounting, to investigate the possibilities of employment for graduating members, and to promote social activities. Another purpose is to acquaint all students at the University with the uses and functions of accounting. Each year the name of an accounting major who over the first 3 years has attained the highest average in class work at U. R. I. is inscribed on a plaque in the College of Business Administration.

The Society for the Advancement of Management (known as S. A. M.) was started on the Rhode Island campus in 1945, reactivated in 1948. The Society is the recognized national professional society of management people in industry, commerce, education, and government. It is the purpose of this organization to acquaint the student with people in these fields of business, and keep them in contact with the latest information concerning employment, business and management.

Engineering Societies

ENGINEERING COUNCIL

The primary function of the Engineering Council is to coordinate the activities of all the societies affiliated with the College of Engineering. The main social event of the year which was sponsored by the council was the Slide Rule Strut.

A. S. M. E.

The American Society of Mechanical Engineers is a national professional society for Mechanical Engineers. Its purpose is to advance the profession by providing the opportunities for engineers to band together and discuss problems and recent developments.

The A. S. M. E. Student Branch is supported by the National Society. Its purpose is to provide students with most of the benefits of the parent organization and to indoctrinate the student into the society. It supplements the engineering education by providing technical speakers, field trips and other special events.

The Student Chapter of the American Society of Civil Engineers, which is open to all students of the Civil Engineering curriculum, participated in both professional and social activities throughout the year. The society visited such places as the Scituate Reservoir, the Boston Central Artery, the Cranston Sewage Plant, and the South County Sand and Gravel Company.

A. I. Ch. E.

The University of Rhode Island Student Chapter of the American Institute of Chemical Engineers was organized to promote a professional attitude, to acquaint its members with topics of interest by means of addresses by experienced men and through student research, and to foster a spirit of good will among chemical engineering students. Dr. Shilling is the faculty advisor to the student chapter.

Each year in the Fall and Spring an outing is held to acquaint the new students in chemical engineering with the organization and to promote a closer contact with the professors and students.

This is the student branch of the leading Electrical Engineering organizations today. Its principal objects are the advancement of the theory and practice of electrical engineering and of the allied arts and sciences and the maintenance of a high professional standing among its members. Its members sponsor speakers in the electrical field, present and discuss technical papers and take part in inspection trips to places of engineering interest.

In 1948 the Physics Society of the University of Rhode Island was organized and officially approved. To attain its end of acquainting the physics student with the objectives and methods of modern research physics, the society has prominent speakers lecture to the group. At other occasions movies are shown, and discussion groups are formed.

CHEMISTRY SOCIETY

The purpose of the University of Rhode Island Chemistry Society is to present an interesting and diversified program. This includes lectures by prominent speakers, field trips to chemical plants, and technical movies.

The Chemistry Society is a chapter of the Student Affiliate of the American Chemical Society. Students majoring in chemistry or chemical engineering are eligible for membership in the Student affiliate. The Chemistry Society is, however, open to all who are interested in chemistry.

The Home Economics Club, affiliated with the National Home Economics Association, has been active at the University of Rhode Island since 1921. Membership is open to any woman student on campus.

An opportunity for service to the college and community, information about the family and home, and personal development are offered to each member.

Each year the club sponsors a get-acquainted picnic and a Silver Tea, which is for the benefit of foreign students, besides its regular meetings.

NUTRIX

The Nutrix has been an active organization of the School of Nursing since 1950. Through this organization the students on campus and in the clinical area keep informed of the activities and developments of the School of Nursing and nursing profession, and have the opportunity of planning activities together.

Apart from having representation on the R. I Council of Nursing Students, a delegate is sent yearly to the National Student Nurse Association Convention. The students also support the Isabel M. Stewart Scholarship Fund.

Missing from the picture are the Juniors and Seniors who are at present in the clinical areas.

The Long Hard Road To Fame And Glory

Little did Coach Hal Kopp, New England Coach of the Year, his staff, or the boys realize that first week in September when only twenty-one boys reported to practice, that the baby blue would have the first unbeaten and greatest football season in the long history (sixty years to be exact) of the school; or that they would have one of the East's best small-college teams; or that, as a fitting reward, they would travel to the midwest by plane for a post-season bowl game. Yes, things look rather dismal back in September for a coach that was said to be rebuilding after a loss of a powerful line and such a great back as all-star Pat Abruzzi. But this meager group got down to serious business quickly, and, as the days progressed, was strengthened during the first two weeks of practice, and, after school began, by the late arrival of more gridders. Since the team had less than three weeks of practice before the opener against Northeastern, Kopp held double sessions, morning and afternoon, until school started; and then, when school did start, pushed the boys to perfection by hard practice and late sessions. Now for the story of Rhody's triumphant and first unbeaten season in the school's history.

Northeastern At Boston

The Rams, in their first game, started and finished fast, and gained a come-from-behind 13-13 tie with Northeastern, on an extremely warm afternoon. This being the opening game for each team, and both teams being in the process of rebuilding, first-game mistakes and inexperience marred the play somewhat. On its first play from scrimmage, after Hunt had intercepted an enemy pass early in the first period, Ed DiSimone and Dick Gourley combined on a fifty-one yard pass play for a touch-down. Gourley ramblled the final twenty-six yards into the end zone unmolested. Jim Jerue converted to make it 7-0. Soon after, the Huskies combined on a ninety-five yard pass play to tie the score. After Northeastern went ahead midway in the second period, Rhody traveled forty-six yards in ten plays early in the fourth quarter to tie the score at 13-13. Fullback Johnny Leach slanted over from the 7 for the score. DiSimone, Fayerweather, and Leach were instrumental in this come-from-behind drive. Jerue's potential winning kick went wide to the side. Rhody's whole forward wall, featuring Gourley, Gibbons, Gerlach, Fitzgerald, Novelli, and Dalpe, did a good job both offensively and defensively, while DiSimone, Apkarian, and Leach were the leading ground gainers.

Maine At Kingston

In a setting of pouring rain, befitting only the legendary seagulls of Kopp's regime, the Rams scored a 7-0 triumph over Maine on an extremely muddy Meade Field. While the rain was at its heaviest and coming down in sheets at the start of the second half, Rhody scored the game's only touchdown on a short quick pass from Jim Adams to Dick Gourley. This score was a climax to a sixty-seven yard drive and the home force's most determined bid of the afternoon. Jim Gerlach converted the extra-point to end the scoring of the day. Adams made several key calls that kept the Rams rolling on the scoring march. The Black Bears proved a stubborn foe defensively and threatened to tie the game in the final minutes, but Rhody was equal to the test and hurled back the enemy attack. Despite the wet going, the Baby Blue showed a better offensive in spots than it did in its opener the week before. Kazar Apkarian had the best run of the day when he hulled his way up the middle for forty yards. DiSimone, Montanaro, Adams, and Apkarian were the leading ground gainers, while Charlie Gibbons played a particularly strong defensive game up front, along with Fitzgerald, Hunt, Gourley, and Gerlach.

New Hampshire At Kingston

In a see-saw battle played before four thousand at Meade Field, the Rams staged another come-from-behind surge and knotted the score late in the final period for a 13-13 tie with New Hampshire. After a number of set-backs in the first period, the Rams scored first on a forty-seven yard touchdown march with Ed DiSimone going over for the score on a plunge from the one. Apkarian, DiSimone, and Montanaro accounted for most of the yardage in the drive, with a fifteen yard DiSimone-to-Montanaro pass setting up the score. Jim Gerlach converted for 7-0. New Hampshire showed an explosive attack as it took the return kickoff back sixty-eight yards for a touchdown. The conversion attempt was short. Gibbons, Fitzgerald, and Hunt were the leaders in halting a Wildcat threat early in the third period. Then both teams had many marches stopped before New Hampshire scored on the first play of the fourth quarter, and converted for a 13-7 lead. After a couple of punt exchanges, the Northerners gambled and lost on a fourth-and-one situation on their own forty-two yard line, thanks to Gibbons and Fitzgerald. From here, late in the period, the Rams pushed over the tying score with Adams cracking over from the 3. A thirty-five yard Adams-to-Mairs pass had set up this tying plunge. Gerlach's conversion attempt was blocked. New Hampshire threatened again late in the final minutes, but the rugged Rhody line stiffened and McDaniels recovered a fumble on his own thirty-yard line to end the threat. The whole Rhody line performed outstandingly, along with Adams, DiSimone, Leach, Montanaro, Apkarian, and Sammartino in the backfield.

Vermont At Burlington

After twice staving off Vermont at the goal line in the first half, Rhody went on to a fairly easy 16-0 Homecoming Day victory over the Catamounts. Vermont took the opening kickoff and marched to the R. L. two yard line, only to be stopped by a stubborn Blue defense. From here the Rams marched ninety-eight yards to their first score, DiSimone and Apkarian picking up the bulk of the yardage, with Montanaro sweeping the end from the five into paydirt. Gerlach then got his first of two conversions. Early in the second period, the Rams got two more points on a safety, as workhorse Chuck Gibbons, on one of his many contributions of the day and season, knifed through to nail a Catamount back in his end zone. After Vermont again marched to the Rhody two yard line, and again was stopped cold, the Rams could not mount a sustained attack due to extreme fumblyitis, until a Sophomore backfield of Fayerweather, Warren, and Adams built a scoring drive in the final quarter. Adams scored from thirty-three yards out on a beautifully executed option keep play, while Warren contributed twenty yards and Fayerweather twenty-four to the drive. Gibbons, Fitzgerald, and Novelli, were the game's standouts in the line, while DiSimone, Adams, Apkarian, and Montanaro were the leaders in the backfield.

Massachusetts At Amherst

The Kingstons hit their season's peak in scoring at the Redman's Homecoming, as DiSimone and Apkarian got two touchdowns apiece to lead the Rams to an impressive 39-15 victory. This victory put the Rams in a commanding lead for the Yankee Conference championship. They opened the scoring early in the first period as DiSimone ripped off 39 yards for his first score, and Gerlach converted for 7-0. Apkarian got the next counter soon after as he plunged over from the 5 after a short 43 yard march in 6 plays. In the same period Junior fullback Johnny Leach hammered off the right side for 58 yards and a score, aided by a beautiful block by Gibbons. Here Jerue converted from the 25 after a penalty. The best run of the day, that of 70 yards for a T.D. by Jim Adams, was then called back for a backfield in motion penalty, and UMass scored before the half ended. Apkarian opened the second half scoring with a 16 yard canter around left end. This was followed by DiSimone's second score from 28 yards out which was set up by long gainers by Leach and Montanaro. This drive covered 71 yards in 3 plays. Jimmy Warren ended the R. I. scoring with a 33 yard scoring jaunt in the final period. Beside the scorers, Fayerweather and Sammartino both did good jobs in the backfield, and needless to say the whole line lead by Gibbons, Fitzgerald, and Hunt opened the holes for the backs to see daylight and pay-dirt.

Brown At Providence

Yes, the boys really had revenge in their eyes for last year's loss to the Bruins which broke a two game winning streak against our favorite grid opponents. Led by our All-American tackle, Charlie Gibbons, the whole gang played a highly inspired game as they cut down the favored Bears 19-7. Gibbons' performance was the greatest individual exhibition on Brown Field in many long years. The whole Rhody line put up a superb performance before 16,000 in sunny weather. The victory, only the fourth in forty-one contests against the Ivy Leaguers, was particularly sweet since it kept their slate clean for the season. Center Charlie Hunt, a bulwark on defense along with the other tackle Bob Novelli, started the Rams rolling to their first score when he intercepted a pass on the enemy 45. From this point, with Montanaro, Leach, and DiSimone doing the lugging, the Rams scored in seven plays, with DiSimone cracking over from the 1. Soon after, Gibbons partially blocked a punt that was eventually good for only 12 yards to the home team 40. From here DiSimone swept end for 25 yards; Leach smashed up the middle for 11; and Montanaro scored from the 4. In its only sustained drive of the afternoon, Brown then scored before the half ended. Again in the third period workhorse Chuck Gibbons who seemed to be all over the field at the right time all afternoon, blocked another Bruin punt on the opposition's 34 yard line, then chased the bounding pigskin to the 10 where he fell on it to set up an easy score. Montanaro only needed one play to get the score, and Jerue converted to end the scoring in the Rams finest victory.

Springfield At Kingston

In our first Homecoming Day game the home forces roared to an early first quarter T.D. and then coasted home to a 20-7 defeat of Springfield College. The Indians gave the Rams more trouble than Brown, but maybe it was that Rhody wasn't as sharp as it had been the week before. Hard hitting Kazar Apkarian scored the Rams opener after DiSimone had made a nice return of the opening kickoff, when he crashed over from in close at 3:25 of the opener. This score had been set up by a beautiful 45 yd. pass play from DiSimone to Gourley who was finally hauled down from behind on the Maroon 15. For Rhody's 14-0 edge at half-time, the Rams marched 73 yds., in jolting gains with a few short passes from Adams to Gourley. After one of these passes had advanced it to the 5, DiSimone cashed in for a payoff over tackle. End Dick Gourley set up the final Rhody score as he blocked a Maroon punt on their 25 in the third period. DiSimone ate up most of the remaining yardage for his second score, and Jerue converted his second of three tries for the day. Along the U.R.I. forward wall, Gibbons, Novelli, Dalpe, O'Leary, Hunt, and Gourley were tough as usual, and the backfield headed by DiSimone, Apkarian, and Adams performed well.

Connecticut At Storrs

Hoping and praying to keep their slate clean and be the first Rhody unbeaten eleven ever, a determined Ram squad walloped the Huskies 25-0 in what was supposed to be a down-to-the-wire game. This startling victory not only gave them an unbeaten season, but returned them as rulers of the Yankee Conference, while keeping their unbeaten string going at twelve straight. The Huskies took our opening kickoff and drove to the Rhody one yard line, only to have a penalty set them back and stall this drive cold. The Rams then set their gears into high speed after Montanaro had intercepted a UConn pass on his own 24. Still in the first quarter, they rambled 76 yards in nine plays for the initial score, with a DiSimone to Gourley pass and runs by Sammartino, Leach, and DiSimone featuring the drive. The crusher however, was a beautiful 46 yd. jaunt by Montanaro, with good blocking especially from dependable No. 72. Montanaro was knocked out of bounds on the one, from where DiSimone scored two plays later. Midway in the next stanza R. I. got possession again on a fumble stimulated by a fierce, jarring tackle by Gibbons. A Sammartino option play run and lateral to DiSimone good for 32 yds. set up the next score. After Apkarian had smashed in close, Sammartino scored on a keep play from inside the one. Jerue converted. Within 15 seconds after the start of the second-half kickoff, DiSimone with the aid of ten other Rams, applied the clincher with a highly electrifying 75 yd. return of the second-half kickoff. This great run with the aid of perfect blocking took all the fight out of the Huskies. The Rams scored again late in the same period with Apkarian plunging over after a Sammartino, DiSimone collaboration good for 16 yds. DiSimone's ground gaining was a feature, but the Rhody forward line of Gibbons, Hunt, Fitzgerald, Novelli, Dalpe, Gourley, Gerlach, and O'Leary put the clamps on a strong UConn offense. Montanaro, Leach, and Adams were also brilliant in victory.

REFRIGERATOR

JACKSONVILLE STATE AND THE REFRIGERATOR BOWL

Although the team had received a feeler for this post-season tilt before the UConn game, the actual bid hinged on a victory at Storrs. When this was accomplished the long awaited bid came.

After a short lay-off, bowl game preparations began although bad weather often interfered. Following an early morning pep-rally on the Friday preceding the Sunday afternoon game, the team embarked for Evansville by airplane. After arriving in Evansville among loads of fanfare and hospitality, the team practiced Saturday afternoon in between much picture taking. The Rams, who had been made slight pre-game favorites, were tripped up 12-10 by a surprisingly strong Gamecock eleven from Alabama, featuring the hard, pile driving running of fullback Billy Hicks. Undoubtedly the margin of victory in a close, tightly played contest, this explosive back, who reminded you of Pat Abuzzi, scored the first Gamecock touchdown and was highly instrumental in setting up the second one.

The Rams drew the first and only blood of the first half as the second quarter was closing when Jim Jerue booted a perfect 28 yard field goal which took the opposition off its feet with seconds to go.

After the Rams kicked off in the second-half, Hicks carried the ball 11 of 14 times to score the first points for Jacksonville. The conversion attempt was wide. Later in the third quarter Ram stalwart Chuck Gibbons pounced on a rebel fumble deep in the southerners territory where they had been put by a beautiful booming, coffin-corner kick by Apkarian.

After three rushing attempts failed Jerue came on the field and lined up for what looked like another field goal attempt, but Sammartino caught the opposition unaware by standing up and throwing a touchdown pass to DiSimone who barreled over for six points. Jerue made the conversion and the Rams led 10-7. With less than four minutes remaining in the game, Rhody looked victory bound, but one of many fumbles that proved costly to the Rams all day gave the ball to the southern players on the R. I. 8 yard line. From here, in three tries, the Gamecocks had the winning score as Skates went over from the two. With little time left to play the Rams tried

BOWL-1955

valiantly to score as the opposition gave them a golden opportunity by failing to make a fourth and one situation on a gamble, on their 30. When the Rams took over, short gains got the ball to the 10 where Rhody got an important first down. But on the next play, a highly costly fumble from a jarring Jax State tackle turned the tables and wrote an end to the most thrilling Refrigerator Bowl game in its eight year history.

VARSITY FOOTBALL "ODDS AND ENDS"

Of course it goes without saying that history was made, and many outstanding contributions achieved by the school's first undefeated season. Outside the college realm, Pat Abruzzi whom we shall all long remember, broke into the pro ranks with the Montreal Allouettes, and had an outstanding season, being the Canadian League's leading ground gainer and the Most Valuable Player as a rookie. Meanwhile, back on the local scene, our boys received awards as fast as they could be established. Charlie Gibbons became the only R. I. Player to ever be honored as a "Little All-American," and in many quarters the opinion is he would be "All American" at a large college.

He was also first team U.P., All New England, and unanimous choice for all Yankee Conference along with Paul Fitzgerald. Ed DiSimone was honorable mention for "Little All American", second team U.P., All New England, and a breeze as a Yankee Conference all-team choice. Coach Kopp was honored as New England coach of the Year and R. I. Coach of the Year for the third consecutive time.

Dominating the All Yankee Conference team along with Gibbons, DiSimone, and Fitzgerald were Pete Dalpe, Chuck Hunt, and Bob Novelli. All the other starters were either second team, third team, or honorable mention.

Almost every starter was on some one or the others all-opponent team at the season's end.

The New Year of 1956 opened on a sad note as Coach Kopp accepted an offer from Brigham Young University and announced that he was moving to the Mormon School at Provo, Utah, for the coming season. Hats off to all the boys! Well done! We'll miss you Hal, Good Luck and Bon Voyage!

Our Graduating Seniors

Jack Guy and his boys started the season in rather dismal fashion with one win out of their first eleven games, but came along very strong in the second half of the season to compile a highly respectable record of eleven wins and fourteen losses. Although the team was under a .500 percentage in the won-and-lost column, the boys played fine ball after their early-season slump, and, with a few breaks here and there, they would have had quite a few more wins. The Rams only hit the century-mark once for the season, and played in three overtime battles, all of which were lost by slim margins. Jack Guy, ably assisted by Herb Maack, was faced by the toughest schedule since his advent at Rhody, and, with only a small bench to work with, did a noteworthy job.

Leading the team during the campaign were the high-scoring juniors from Jersey, Bill Von Weyhe and Ronnie Marozzi. Senior co-captains Bob Stairs and Eric Anderson contributed heavily to the scoring during the season but will be remembered more for their unflinching, steady, heads-up competitiveness and leadership. Rounding out the starting five during the season was either Steve Madreperla, Frank "Dusty" Mormando, or Dennis Haworth, all of whom were fine, steady playmakers, scorers, and spark plugs. Capable and reliable substitutes

were Pete Kohlsaat, Jim Adams, Brad Southworth, Kenny Marozzi, Ken Perham, and Rudy Schmidt.

Team highlights of the season were: an 84-75 spanking given to Providence College with Jerseyite Marozzi scoring twenty-seven points, guiding the team; a heart-breaking 74-71 overtime loss to Brown at Providence in which our blond "ace" from Union City had twenty-six points; the appearance of the Rams in the annual Richmond, Virginia, Invitational Tournament during the Christmas holidays; a close thrilling encounter with St. John's of Brooklyn in which the record-breaking juniors got twenty points apiece; two unforgettable home and away overtime tussles with the University of Connecticut in which Von Weyhe had thirty-five in the first, a single overtime loss, and Marozzi twenty-two in the double overtime defeat at Stors; a twenty-point win over Brown in the return engagement at Kingston; a hard-fought overtime loss to Providence College by an 82-80 score at Providence; and a crushing 104-63 win over New Hampshire.

Individual highlights were the following. In the season's opener Bill Von Weyhe scored thirty-six points in a losing cause against St. Joseph's for his highest varsity point total. Soon after Ron Marozzi got his season's high of twenty-seven points in the Bos-

Bill von Weyhe, Forward

Ronnie Marozzi, Guard

ton College game at Boston Garden. In the first UConn game at home, Bill swished thirty-five points through the nets, and while at the Richmond Tourney garnered thirty-four against William and Mary. Against New Hampshire Billy missed his first foul shot attempt and then made 13 straight in the first half. For the second half he again missed his first but then went on to get 19 for 20 for the night as he made his next 6 straight. Billy also tied the all-time major college record for consecutive foul shots with 33

straight early in the season only to have his scoring pal and fraternity brother, Ron Marozzi, come along later and break it with 35 straight foul conversions. Until this Billy had held the record with Howie Shannon of Kansas State who made his 33 straight back in the early 1940's. This is quite an unusual and outstanding accomplishment for two teammates in the same season to have one tie and then the other break an all-time major college scoring record.

In the last home game of the season against Springfield, Von Weyhe broke Ernie Calverly's 11 year old Rhode Island individual single seasons total mark of 547 points. Billy in this game totaled 25 points to give him 550 points. He very dramatically tied it with the first of two free throws with 2 minutes of play remaining and then dunked the second to break it. Before the end he also sank another field goal for good measure. For this accomplishment he received a gratifying standing ovation from the crowd along with Bob Stairs and Eric Anderson who were playing their final home games for the Baby Blue and Ronnie Marozzi for a fine season's work in scoring. These standing ovations were very moving and occurred as each man left the game for substitutes. Von Weyhe in his final two games went on much further in scoring to set a more substantial season scoring record of 592 points for a 23.7 scoring average for the season. This 592 point record will really be hard to break. Although the team's season record was not outstanding, they showed us some of the finest basketball seen at Kingston in quite a few years. The decision to most games was really left hanging until the last few moments and the boys, along with Jack Guy, should be very proud of their accomplishments. We enjoyed every last minute of each game and only wish we could have seen more of the away games. Nice job, gang!

Last year's Ram nine, under the tutorage of Coach Bill Beck, turned in a very fine season on the diamond with a winning record of ten wins and eight losses. This was indeed a fine record considering that four of the losses were by one run, and that last year's record was only 5-12. This squad, which included 11 lettermen and 10 sophomores, was a pre-season "dark-horse" choice for the Yankee Conference Title and compiled a record of 3-6 for fourth place on that count. During the season the squad played 3 extra-inning contests, all of which ended up in 3-2 decisions. One, against P. C., was won in twelve innings 3-2, while two were lost by this score in 10 innings against Brown and New Hampshire.

The squad was made up of a starting nine consisting of regulars Jack Wojcik, Sal Farrara, Dick Cahill, Pete DiMasi, Dick Lendrum, Ken Dellner, Gus Edwards, and either Angelo "Junior" Dages or John Leach and a pitcher. The mound corps was made up of Senior ace Dave Stenhouse, Ray Peltier, Dick Nordberg, Al Clegg, Tony Horton, and John O'Donnell. Infielder Doug Hopper, outfielder Dick Gourley, and catcher Al Alvarez saw limited duty as capable replacements. Others on the squad were Jim Boyden, John Lacey, John Ducharme, Jim Norman, John Long, and Bob Becker.

In the season's opener, Rhody whipped the Quonset Flyers 8-0 in an abbreviated five-inning contest on the strength of eight hits and a combined three-hitter by Peltier, Stenhouse, and Nordberg. Peltier went three hits in three innings, Stenhouse and Nordberg got one each, while Leach and Farrara had two hits apiece. Both of Leach's hits were triples, while Farrara's were line singles.

In the first game at Meade Field, "Ace" Dave Stenhouse twirled the Rams to a 2-1 verdict over Boston College with a very strong four-hitter. Dick Cahill singled in Wojcik from the keystone sack with one counter in the eighth, while Dave Stenhouse won his own game in the last of the ninth as he stroked a

single to bring in Dagres, who had also singled, with the clincher. Wojcik had two hits while Leach, Dellner, and Lendrum had one apiece. Stenhouse had fifteen strikeouts.

Strong twirling from Junior Dick Nordberg, with an assist from Stenhouse in the ninth, was the highlight of a 4-1 victory over Trinity College in the third encounter at Hartford. Nordberg had a shut-out on a four-hitter until he ran into trouble in the ninth, as he tired and needed an assist from the "Sten". DiMasi, Edwards, and Lendrum were the sticking leaders with two singles apiece. The R. I. infield helped the cause with three fast double-plays by Cahill, DiMasi, and Farrara, while Nordberg had seven strikeouts.

Although outhit 8 to 5, the Brown Bears took the Rams into camp 3-2 in Providence in ten innings for their first defeat. It was a heartbreaker for Dave Stenhouse, who deserved a better fate by far. Dave had a two-hitter (two infield hits) going for eight innings

Ken Dellner

and had struck out thirteen batters. It was an outfield miscue on a fly ball in the tenth that allowed the winning run and kept Stenhouse from his first varsity win over Brown. Farrara was the only Ram with two hits. Lendrum had tripled in the top of the tenth with only one down but was left stranded. Cahill and Stenhouse both collected doubles. Harry Josephson, ace Brown outfielder, was the thorn in Rhody's side in hitting.

Back at home the Black Bears from Maine kept Rhody derailed for a while by stopping them cold 4-2 on a measly two hits and three unearned runs. Dick Nordberg, who pitched six innings, allowed only one hit, and Ray Peltier, who also allowed only one hit, finished the game; both deserved a much better fate. Farrara had two base hits while Lendrum, Leach, and Cahill had one apiece.

Stenhouse recorded his second win of the season 11-2 in the opener of a double-header against Vermont at Meade Field, as he scattered four enemy singles while his mates were banging out nine hits, three for extra bases. The highlight of the game was when the Rams countered six times, as the first seven batters in the

Dick Cahill

first inning hit safely. The top hits of the inning were a solid two-run triple by Sal Farrara and a booming two-run homer by "Junior" Dagres. These same two also collected singles for the afternoon, and DiMasi had a double.

In the nightcap Vermont bounced back to a 9-2 win as the maple-syrup men collected 11 hits from Horton, Clegg, and Peltier. Horton didn't retire a man, while Clegg was combed for seven singles in the first two innings when Vermont collected all their tallies. Rhody had only four hits, a triple and two singles by Dagres and a single by Lendrum.

The next week-end, Rhody made their annual trip up North to Maine and New Hampshire. After being rained out at Orono on Friday, the Rams played on a soggy field at Durlham on Saturday and were shaded 3-2 in ten innings despite only two hits being given to the Wildcats by Stenhouse. Dave pitched no-hit ball for seven innings, but then the two bingles and a walk tied the score for N. H. in the eighth. Wildness

Pete DiMasi

Sal Ferrara

proved Dave's undoing in the last of the tenth when he walked three batters and Wojcik dropped the ball on an attempted steal at home. Of Rhody's five hits, Dagues again collected three singles, Lendrum doubled, and Cahill singled.

Once back from up North, Rhody regained its winning ways with a 7-1 victory over Brown at home, on Stenhouse's blazing three-hit. Dave struck out fourteen and, for a change, was ably assisted by his mates' seven hits. Farrara, Lendrum, and Cahill had two hits while "Sten" and Dagues had the others.

Then the Rams beat Quonset again 5-3 at home, as Clegg and Peltier shared the pitching duties, Clegg giving up two runs and Peltier the other. Farrara and Leach had three singles apiece while DiMasi collected two.

Then, still at home, the Rams took both ends of a double-header from Providence College, 3-2 in twelve

Jack Wojcik

innings of the first as Ray Peltier outduelled his old high school teammate Herb Hearne, and 4-0 in the nightcap of seven innings. Clegg won the nightcap after taking over in the third for Peltier, who, trying to do an outstanding iron-man job, acquired a couple of blisters on his pitching hand. Peltier spun a neat six-hitter in the opener, and Dellner, Lendrum, and Leach collected the only hits. Clegg allowed only two in finishing up the second tilt, while Leach had two of the eight Ram hits, including a double.

In the first game against Yankee Conference Champs Connecticut, the home forces simply outslugged them 15-10 in runs and 22 to 11 in hits. Peltier and Clegg withstood the UConn barrage while Rhody was having a field day at the plate. Dagues had four singles; DiMasi, Cahill and Lendrum a home run and two singles apiece; and Dellner a home run and a single. DiMasi's and Cahill's home runs were back to back. Leach and Wojcik also had two bingles.

The following week Rhody split a double-header with UMass as Phil Tarpy, the visitors' "ace", shut out the U.R.I. boys 5-0 on a three-hitter in the opener, and Al Clegg helped the Rams to cop the nightcap 1-0

Dave Stenhouse

by pitching a similar three-hit shutout. Rhody collected only four hits in this nightcap, with John Leach getting three and the single RBI. Clegg looked good down to the last out; he had six strikeouts.

In the next game, the Wildcats from New Hampshire turned on Clegg for fourteen hits and nine runs as they drubbed us 9-5. Of the Rams' seven hits, Hopper was the only one to collect two, while Cahill had a triple and Farrara a round-tripper.

When the Rams met the Gymnasts in Springfield the next day, they were downed 14-1, as DiMasi, Farrara, and Boyden collected the only three Ram safeties. Peltier went the distance, giving up fourteen hits.

In the season's curtain closer, the Rams traveled to Storrs and were turned back 7-4 in a close tilt although the Huskies were outhit 10-7. Clegg and Peltier handled the Rams' pitching chores, and Farrara was the hitting star with a single, triple, and home run.

TRACK & FIELD

Yes, it happened again. Coach Tootell directed his boys to another undefeated outdoor track season last spring. The track team romped through another season with a 4-0 slate, and captured their eighth straight Yankee Conference Championship. Since 1932 under the guidance of Coach Tootell the outdoor track squads have lost only three dual meets out of approximately a hundred. Coach Tootell's forces have won every Yankee Conference Track Title since the six state universities became a playing conference back in 1948. Rhody's all-time scoring mark in these meets is 525 5/12.

Scoring very heavily in the field events the Ram trackmen overpowered Boston College 99-36 in the opening meet. They completely swept all three finishing positions in 6 of the 16 events. Chris Segar was the only double winner and Chick Sands won the 100 yd. dash in the sensational time of 9.8. Bill MacQuattie and Harry Hampson led the scoring in the long distance events.

The summary of Rhode Island scoring:
 Hammer Throw—1st—Bob Taylor, 2nd—Carlos Roberti, 3rd—Le Roy Grinnell.

In the final meet of the season the Ram clobbered Brown 104-31, as Chris Seegar won three events and took a third, while Bobby Taylor set a Meade Field Record in the hammer throw. Double winners were: Bob Sands in the 100 and 220, and Bill MacQuattie in the 880 and mile runs. Seegar was first in the javelin, broad jump and high jump and took a third in the low hurdles. The Rams copped twelve first places and tied for yet another.

A great team performance along with a couple of individual record-breaking or tying performances were the essential factors in Rhody capturing their eighth straight Yankee Conference Championship which was held here at Meade Field last spring. The Ram trackmen compiled a total of 51 2/8 points. Other team scores were: New Hampshire 41 6/8, Maine 30 3/8, Connecticut 27, Massachusetts 7 6/8, and Vermont 6 6/8. Towards the end of the meet a one, two, finish by Sands and Guber in the 220 yard dash clinched the championship over runner up New Hampshire. Apkarian set both a new conference and Meade Field mark with a heave of 51' 1" in the shot put. The old conference championship meet record stood at 49' 8 3/8", also set by Kazar in 1953, Boy Taylor also set a new conference record in the hammer throw with a toss of 172' 2". "Chick" Sands also broke the conference record in the 100 yard dash with a 9.8 second performance, and equalled the record in the 220 yard dash with a clocking of 21.9. Charlie Guber who Bob nosed out in the 220 also holds this 21.9 record. Chris Seegar also won the high jump competition.

Bob Taylor set a sensational new record in the hammer throw at the Penn. Relays in Philadelphia. Taylor won a gold watch for his first place finish as he threw the hammer 180' 7 1/8" which smashed the old record of 177' 1".

In indoor track this past winter the school ran a mile relay team of quarter miles Hal Voorhees, Kenny Williston, Bill MacQuattie, Dick Dubois, and Ken Peckham in most of the indoor invitational meets.

In the IC4A meet at New York, Bob Mairs grabbed a highly respectful fourth place finish in the high hurdles. Jerry Ferrara also won the high jump at the N.E.A.A.U. championship meet at Providence, along with a third in the Knights of Columbus Games at Boston Garden.

CROSS COUNTRY

The hill-and-dale harriers, ably coached (probably for the last time) by our new athletic director, Fred Tootell, were only able to capture one meet of the seven dual events for the season, but a fine freshman team indicates that next fall's varsity squad will be vastly strengthened and improved. The squad was seriously hurt before the season got under way by the loss of its number one man, Junior Harry Hampson, who did not return to school in the fall. Senior Bill McQuattie was the mainstay and leading scorer, with Sophomores Ken Williston and Al Vilardofski showing loads of promise for the coming season. Other members of the squad were Bill Turnbull, Steve Gardella, Ed Sozanski, Tom Wright, Eddie Hennigan, Bill Schitzer, and Charlie Ray.

Springfield nosed out the Ram harriers in the opening meet 27-29, although Bill McQuattie was the first one home over a new four-mile course at Kingston. Also contributing to the scoring for R. I. were Vilardofski (4), Turnbull (7), Wright (8) and Hennigan (9). In the next run, also at home, Coach Tootell experienced the first shut-out defeat of his career as a strong Fordham team blanked Rhody 15-49. Fordham's score of 15 is the lowest or best team total score which can be achieved in cross-country.

This came about when Fordham had the first six finishers in the race, and only the first five members of a team figure in the scoring. Rhode Islanders and their order of finish were: Williston (7), Vilardofski (9), McQuattie (10), Wright (13), and Turnbull (14).

At Boston, the Rams ran a strong race but were edged by Northeastern 21-39, as McQuattie finished third and Williston right on his heels in fourth position. Sozanski (9) and Vilardofski (11) were the other scorers. Providence College then whipped us on their course 19-42 with McQuattie, our first finisher, in third place. Also scoring were Williston (6), Vilardofski (11), Sozanski (15), and Turnbull (16).

Returning home again, the Rams got a taste of victory as they ate bear meat in a 27-30 conquest of Brown. Kenny Williston finished a strong first as Rhody took the fifth to eighth spots with Vilardofski, Sozanski, Wright, and Turnbull finishing in that order.

Up at Storrs, a strong UConn team took us into camp 19-42, as McQuattie finished third and Williston sixth. Sozanski, Gardella, and Wright copped twelfth, thirteenth, and fourteenth respectively.

In the Yankee Conference Championships at Orono, Maine, the team finished fourth in a field of six. The boys lost a heart-breaking close one to New Hampshire 28-29 back at Kingston in the season's windup.

Prospects for next year look pretty fine with the many strong sophomores returning and the addition of a top-notch freshman squad led by Tom Hill and George Chappell.

Coached by Paul F. Cieurzo the University of Rhode Island Golf Team had a good season on the links in both Yankee Conference play and other matches. Although the record only indicates two

wins, the teams lost many close decisions which could have easily gone the other way and recorded two early season ties. The team was ably led by its "ace", Paul Butler, while Harry Hampson was the number two man, and Burt Rosen number three. Others on the squad were Jim Marble, Bob Hammerlund, Ralph Scorpio and Bill Redding.

The outstanding feature of the season was that of Paul Butler copping the New England Individual Inter-Collegiate Championship at Oakley Country Club. He walked away with top honors in a tourney that had 147 individuals representing 27 different colleges and universities competing in it, and this was the only time any Rhode Island Collegian has won this individual championship. By this he earned a trip to Knoxville, Tennessee, for the National Inter-Collegiate Championships where he did not fare quite as well. However, the trip was a wonderful experience and he played some fine golf. While there he was also honored by being selected from among all the many Eastern golfers to play in the East-West match the Sunday before the tournament.

Under the fine tutorage of Coach John-ny Chapman, the R. I. varsity tennis team came up with an outstanding season, after a disappointing season of one win and eight losses in the 1954 season.

The team posted a fine six and four record, and was led by the following let-termen; Jack Bailey, (captain), John Helmus, Mike Hattub, Art Helmus, Brad Boss, and Pete Barchi or Dick Bird com- peting for the six spot. Of this squad only three will return this season. They are captain elect Hattub and the two Helmus brothers, John and Art. They will prob- ably be coached by Hub Maack who will replace Mr. Chapman who has left us in

favor of Uconn at Storrs.

After losing its opening match to Trinity, the boys came up with three fine showings, beating Maine, New Hamp- shire, and Holy Cross by comfortable scores before bowing again in a shutout to Mass. Quonset, New Hampshire, and Connecticut were subdued, although the team dropped a close one to Springfield before the final Uconn match. The team finished third in the rain in competition for the Yankee Conference Title, al- though they were leading until the final day.

Cheer Leaders

Go-Rhody-Go! Fight-Rams-Fight! At our football and basketball games, these are the encouraging words, along with many enthusiastic cheers, of our vivacious cheerleaders. The squad so ably led by Captain Jean Gencarelli, added loads of pep and color to the games. Through rain (remember the Maine game at Meade Field) and shine they were seen giving their all for the blue and white. Nice job girls!

The Rhode Island Club

The Rhode Island Club is an honorary organization of varsity lettermen. The club enforces the rules regarding the wearing of the letter and aids in the promotion of athletics at the college.

In addition to its athletic guidance program, the club takes part in many campus activities, the feature of which is the annual spring banquet.

At the finish of each school year, honorary keys are presented to the most outstanding members of the club.

This year's varsity rifle team, ably coached by Sgt. Reynolds of the R. O. T. C. department, had an excellent turnout of 90 individuals at the opening of the season. The squad, by either the process of elimination or campus conflicts, in two months was cut down to about 25 riflemen. Some of these men were also competing on the R. O. T. C. rifle team at the same time. The varsity squad participated in both shoulder to shoulder and postal matches during the course of the season. Rhode Island was entered in the southern division of the New England College Varsity League which is composed of 12 teams.

In this division the team posted a record of three wins and seven losses but this does not tell the whole story. Regardless of the record the team will participate in the southern division finals to determine the top three teams. These teams will then compete against the northern division's best. Also on tap is the National Rifle Association team and individual championships which will be held in March at New London, Connecticut. The postal matches which are indoor small bore competition are played with many other colleges all over the nation.

Members of the team were Taylor Cook, James Boyer, Dale Harrington, Thomas McConnell, Kim Wheelock, Howard Goldman and Harry Goldman. Also contributing to the team success were Leland Phillips, George Sparkaw, Pete Winiarski, Walt Goodman, and Art Shreiner. With such a fine group of undergraduates on the squad, prospects for next year look very bright.

During the 1956 season the Dinghy Team showed signs of both strength and weakness. In some of the major events such as the Danmark Trophy Regatta, the team's showing was slightly below par even though we still placed among the leading New England teams. Several of the teams from outside of the New England district showed a surprising amount of strength in this event.

In the C. Sherman Hoyt Trophy Invitation Regatta a Rhode Island team of Neil Turner and Bill Arnold with Dick Walls and Jim Mullervy as crews placed second in a field of the top ten teams of the New England area. In other major meets including those with our freshman skippers of Dick Colley, Dick Lord and Bob Rich the Rhode Island team placed among the leaders of the New England area. The teams from the New England area are generally recognized as the best in the nation for a New England team has never lost a National Championship.

With a good fall record the team is in line for several major invitational regattas including the Boston Dinghy Club Cup and the McMillan Cup at Annapolis, Maryland during the spring season.

Phi Mu Repeats Again

Phi Mu Delta repeated again in taking individual fraternity point honors and winning the intramural championship cup for the 1954-55 period. With first place finishes in basketball, foul shooting, wrestling, and track; along with a third in cross-country and a fourth in softball, they were able to easily nail down first place with a total of 507.3 points. Tau Kappa Epsilon finished second with a total of 455 points. They received most of their points on first place league finishes in softball, and touch football, along with a tennis third and fourth in wrestling. After the points were totaled Beta Psi was found in third place. They took second place finishes in cross country, and wrestling, along with third places in tennis and football. They took fourth place in foul shooting and softball. This gave them a total of 381.5 points. These results mentioned above are all regular season finishes and not play-off results.

In touch football Beta Psi won the play-off championship after finishing second in their division for the regular season. In the semi-finals they beat T.K.E. who was undefeated in the other division. Beta Psi beat them by an 8-2 score. In the finals they met P.I.K., who was the semi-final winner over Phi Kappa Theta, Phi Kap had edged out Phi Gamma in a special quarter final by a 9-8 score. However, they had little trouble getting by P.I.K., 18-4, for the championship.

The "54" cross-country title was copied by P.I.K. by edging out Beta Psi, who had the individual winner, Ray Giornelli. P.I.K. had a low score of 70 points while Beta Psi was close behind with 79 points.

I N T R A -

The individual placings of Doug Hopper (4), Ken Shult (5), Bill Von Weyhe (8), Tony Maorisi (25), and Jack Holmes (25), offset Giornelli and Pete DiMase (3), of the runner-ups. Phi Mu Delta was third with Don Riley placing second, and Sigma Nu fourth.

The basketball crown was also won by Phi Mu who went through the play-off with comparative ease after going through the regular season undefeated. For the crown they eliminated Phi Kappa Theta, Alpha Epsilon Pi and Phi Gamma Delta, to acquire 195 points toward the intramural championship. Phi Mu's team was composed of Art Helmus, John Helmus, Jim North, John Herald, Joe Bruno, Al Saunders, John O'Donnel, John Wojcik, Jack Abazaid, and Evan Haynes. Phi Kap finished second, A.E.Pi third, and Phi Gam fourth in regards to point standings.

Phi Mu also ran away with the foul shooting contest as they posted 102 points to 87 points for Sigma Nu the second place finisher. Rho Iota Kappa finished third with 85 points and Beta Psi Alpha fourth with 83 points. Jack Wojcik leader with an outstanding 24 conversions in 25 attempts, while Art Helmus also had a highly respectable 23 for 25. The other three scorers were Joe Bruno (20), Dick Silva (18), and Jim North (17). Sigma Nu was led by Dick Weekes who had 21, while Mitch Asadorian had 19 for P.I.K. and Norm Kennedy the same for Beta Psi. Other leading point scorers were Dick Blackwell (21), Phi Sig; Allan Beck (20), Phi Gam; Alan Blitzer (20), T.E.P.; and Henry Papa (20), T.K.E.

In wrestling Phi Mu also emerged the winner although they had to go all out to edge Beta Psi by a couple of points. Sigma Nu finished third, and T.K.E. fourth. Individual leaders for the "orange and black" were Nimrod Torkomian (120), Don Hall (150), Al Saunders (160), Ken Wheeler (170) and Dave Daubney (180).

In the track meet in the spring a strong Phi Mu contingent nosed out A.E.Pi for top honors and they scored in almost every event. Phi Kap finished third and P.I.K. fourth.

The tennis title was taken by three competitors from Theta Chi who won and nosed out the Phi Gam boys who finished second. Those who brought Theta Chi the tennis cup were Al Sonner, Joe Wells, and Kenny Peckham. Chuck Stewart and Paul Ricciardi were Phi Gams leaders. A.E.Pi finished third.

T.K.E. won the softball championship after finishing first in their division for the regular season. Lambda Chi finished first for the regular season in the other division. In the play off Phi Mu beat Lambda Chi and T.K.E. beat Sigma Pi in the semi-finals. In the best 2 out of 3, T.K.E. won over Phi Mu in the finals for the crown.

The 55-56 intramural season got under way with the fall touch football schedule.

After the coning out of the semi-finals with a win over T.E.P., Beta Psi went on to cap the championship with a victory over P.I.K. who had downed Lambda Chi in the other semi-final. Beta Psi and Lambda Chi had ended up with alike 6-1 regular season records in their division, while P.I.K. had 6-1 for a first place finish and T.E.P., 4-2, for second place in division number two.

MURALS

Phi Mu won the basketball crown by taking two straight from Beta Psi in the finals. Beta Psi had beaten Sigma Chi to reach the finals and Phi Mu had whipped Phi Gam.

In the foul shooting contest Lambda Chi and S.A.E. finished in a tie for the high point total.

Enjoying a 42 point margin over the second place finisher Lambda Chi, a strong Sigma Chi team romped home first with a low point score of 4-2.

Although the individual winner was Marshall "Toot" Horne of Lambda Chi, Sigma Chi placed all its five scorers in the first five. They were: Carvalho (2), Roberge (7), Smith (9), Dinger (10), and Alvarez (12). Phi Mu was third, and Sigma Nu with Mann (3), was fourth.

ATTENTION ALL U. R. I. WOMEN:

This is your Women's Athletic Association. It is primarily the governing body of all women's sports activities. It consists of a board of directors composed of a President, Vice President, and Secretary-Treasurer, as well as house representatives and head managers of the various sports. The Association is based on the theme of promoting good sportsmanship and teamwork.

From the beginning of September to the end of May, the Association is a bustling beehive of activity. Besides sponsoring interhouse sports, it backs various trips for the intercollegiate teams. Field Hockey teams and Basketball teams travel far and wide to "bring home the bacon" for the glory of ol' Rhody.

An annual banquet is held in May of each year, at which time awards are made to those girls who have shown enough interest in sports to receive a shield, key, or the coveted blazer. This year, the W. A. A. is sponsoring a square dance, the proceeds of which will send a girl or girls to hockey camp in Maine for a week.

Women's Sports

Women's Athletic Association

Field Hockey

The hockey season arrived at U. R. I. almost as soon as did the Freshmen. On September 19, twenty-five upperclassmen took to the hockey field in a demonstration game, with enthusiastic spectators cheering them on.

In October, the house tournament was officially started. Beautiful weather and extended daylight saving time allowed three games a night to be played, and a double elimination type of tournament increased the excitement. After weeks of outstanding sportsmanship and competition, Alpha Chi Omega and the Commuters entered the finals. The two teams tied each other twice, but in the third playoff the Commuters were victorious.

The Honor team lost its only game of the season to Pembroke College 1-0, winning the remaining 4 games. Three of these victories were achieved at the annual Wellesley Playday where Rhode Island won every game.

Basketball

By far the keenest competition in girls' intramurals occurs during the house basketball season. The enthusiasm is great from the first week of the season to the very last. For the second year in a row Eleanor Roosevelt Hall remained undefeated and copped the trophy. Alpha Chi Omega fell short in their attempt and were runners-up.

This year the basketball club had a very successful season, winning 5 games and losing 1. The club started the season with a win over Salve Regina. Following that were wins with the Quonset Waves and Willimantic State Teachers College. The club lost their only game to rival University of Connecticut in a close match. The team also beat both Pembroke College and Bradford Junior College at a Playday at Pembroke.

Badminton

The old English game of battledore and shuttlecock, enjoyed so much by the natives of Gloucestershire in years past, is annually revived on campus in the form of badminton. Originally designed to be played on lawns, the wind permitting, the game is moved into Lippitt Gym for the winter, where the wind is always permitting.

The women's housing units played a partial round robin in doubles to determine the house championship.

Lacrosse

With the advent of spring, Lacrosse again enters the scene of outdoor sports. Although it is one of the oldest games played today, it is still in its primary stage here at U. R. I. A game almost entirely played in the air, it requires well developed skill and good coordination which can only be achieved through constant practice.

But Lacrosse isn't all work and no play. Enthusiasm runs high in this game. Besides practice sessions, there are many playdays and field trips to exhibition games where experts show how the game is to be played. And so the season ends, as the Lacrosse sticks are again put away for another year.

Women's Rifle Team

Although the rifle season was slow in starting this year, the girls soon got into full swing. Dressed in dungarees and old shirts, the girls spent many hours practicing at the rifle range in Rodman Hall. The results paid off and by the end of the season the score had improved 100 percent.

The University of Rhode Island Women's Rifle Team is affiliated with the National Rifle Association. Through this organization our team has fired many postal matches and shoulder to shoulder matches with other colleges.

Volleyball

The volleyball season got well under way in February. The house games were played in a double round elimination tournament permitting each team to play at least two games. The object of the tournament was sportsmanship and interest and the results were always fun. Everyone tried to keep that ball in the air but sometimes too high in the air — Lippitt roof beams. Along with the yells of "I've got it" and "Spike it" everyone had a good time and the season ended all too soon.

Although not a part of Volleyball there is a co-recreational program of Volleyball teams consisting of four members of a Men's Housing Unit and four of a Women's Housing Unit. Rules were adopted so that both sexes had an equal chance at playing. It was always a time for laughter to see the boys depending on the girls for that necessary tap over the net to win the game.

Tennis

"Match point" and "Deuce" . . . cries resound from E. R. Courts as the Tennis Club struggles with the hundred and ten factors incidental to form. Although tennis is primarily a Spring activity, the club practices in the Fall, and the members use the indoor backboards in Lippitt during the winter. When Spring rolls around, a fierce backhand smash, as developed inside, becomes, too often, an innocuous lob, as the weary instructor sighs helplessly. And those powerful forehands prove themselves as ball after ball soar over the twenty foot fence and join the odd swamp collection.

Amazement at a perfect placement, healthy laughter about their blunders, the lively ping of a newly-stringed racket, sore, sore muscles the first few times, matches with UConn and others . . . they all go to make up the genteel and enjoyable pastime, Tennis.

Modern Dance Club

Row 1: B. Baxter
Miss Genter,
K. Maginnis, *Pres.*;
B. Broomfield.

Row 2: J. Nichols,
R. Rainone,
A. St. Germain,
A. Gursky,
J. Gold.

The Modern Dance Club has progressed rapidly since its beginning in September. Miss Sandra Genter, Director of the Club has devoted much of her time and experience to it and as a result the girls have gained not only in learning about modern dance and participating in the techniques but in approaching choreography as an art.

By improvising their own dances to music, drums and speech, the girls have found that a feeling for expressing life is necessary rather than experience in dance.

Archery

As this article is written the Archery Club has yet to meet, but it is hoped that, as you read it, we can say "a good time was had by all", for that is the purpose of the Archery Club.

The eight members already signed up (we hope for more!) are looking forward to an enjoyable semester shooting their way to honors under the capable direction of their faculty advisor, Miss Crucker, who hopes to make the Archery Club an annual thing.

As we said before, although archery is a demand sport in that it requires patience, cooperation, and training, nevertheless it can be a constant source of enjoyment, and enjoyment is the prime motive in the Archery Club.
